

*“Because of the Lord’s great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness.” Lamentations 3:22-23*

## Newsletter

With the early onset of Monsoon season this year, some districts in Nepal have experienced great tragedy and devastations because of the heavy flood and land-slides causing death and destruction of homes and fields. In some places, the whole villages have been washed away leaving no trace of anything. As the country of Nepal was still reeling under the second wave of COVID-19, and now so many people are affected by this natural calamity.

Recent flood near Kathmandu

We share the sorrows of our people and continue to pray for them and we are also thankful to God for His faithfulness and

mercy upon our lives each day!

Now the country is slowly opening up after two months of strict lockdown. But the educational institutions, movie theatres, religious place of gatherings etc. are still closed. So, we have to continue our school through Online via zoom and Facebook.

We have started the new academic session from the 15<sup>th</sup> of June 2021 and we are thankful to God for the opportunity to continue to provide education to our students even in this difficult and challenging times.

Children having online class

## Praise & Prayer points

### We praise God:

- For His Protection and good health among the Elim Family.
- For His faithfulness to let Elim continue even during the Pandemic time.
- For the good result of our Thirteen (13) students of Grade 10.

(Out of these students, some students had nearly dropped out of school when the lockdown started last year, as these students had no Devices or access to Internet in their homes . But thanks to the consistent encouragement and great efforts of the school and the teachers and counseling the parents, these students resumed their Online classes and were able to finish their Grade 10.) All Glory to God!

### Please Pray:

- That Elim will continue to provide quality and wholistic education to the students.

- Students need prayers: Some are undergoing depression due to financial hardships in their families and are not interested in their studies.
- Some of them have lost their loved ones due to COVID-19 and are finding it hard to cope with the life situation.
- That Elim will be able to provide full salaries to the teachers who are working hard to help the students.
- The uncertainty of when the school will resume in person and the financial challenges of continuing to pay rents and taxes for school buildings which is currently not being used is another matter of prayer.

We truly appreciate your Prayers and Concern for Elim and we thank God for your encouragement and friendship!

With best regards
